

CREATIVE CRAFT GROUP

The Framsdén Craft Group meet on the 1st and 3rd Wednesday of the month in the Village Hall and we have about 15 who attend regularly

We have explored many different crafts this past year.

A few are:

Watercolour Painting.

Crochet, many never holding a hook before, but now able to make granny squares and blankets.

Made Christmas decorations from air dried clay.

Christmas cards.

Beads from colourful magazine adverts – sounds amazing but true.

Needle felting which is fascinating, and very meditative.

And many more.

We have a full programme in the coming months.

At present the group is all ladies, but we would welcome any gentlemen who would like to come along.
