

FRAMSDEN BAPTIST CHURCH

The congregation at the Baptist Church is small, but welcoming and loving. There are usually between twelve and twenty of us who meet on Sunday mornings at 10.45am. We sing to God's glory, accompanied, if you can imagine it, by a mouth organ and a guitar!

Our purpose in gathering, is to worship God, and to hear news of our sister churches overseas, whom we support. Then we have a long and boring sermon! (Not), which is entirely drawn from God's word the Bible, applied and illustrated. We conclude with tea and coffee.

Yours very sincerely,
Martin Creasey
