

SIGN UP FOR YOUR FREE FRAMSDEN OAK TREE

We have been offered an area of land by the Tollemache family for the planting of an Oak Grove near to a footpath in Framsdén.

We thought it would be a chance for every child & young person in the village to have a tree to tend until the beacon lighting and planting event in the grove on Thursday June 2nd, details to follow.

This will celebrate the Platinum Jubilee of Queen Elizabeth and all of our village young people.

It will be entered into **THE QUEEN'S GREEN CANOPY**

Framsdén villagers collected acorns in autumn 2020, which were planted and tended for the past 18 months. The young trees are now potted up and ready for planting.

**TREES READY FOR COLLECTION SATURDAY 23RD APRIL 10-12 AT HILL FARM
FRAMSDEN.**

Please register your children & young people (18 and under) for one of these Framsdén Oak trees by emailing your village Tree Wardens:
